CREATING YOUR ACCOUNT
If you don’t have a Pivot account, go to http://pivot.cos.com and click on the Sign up link in the upper right of the screen. Fill out your Name, Email, Password, and Affiliated Institution. (The email you register with must be the email at your affiliated institution. Pivot will not allow you to create an account if you enter a non-institutional email address.) Click the “Create my account” button and Pivot will send you an email to the address you supplied; in the email will be a verification URL. Click on the URL and you can begin using Pivot right away!

LOGGING IN
There are two ways to access Pivot:
1) Use an on-campus computer and go directly to http://pivot.cos.com.
2) Log into Pivot at http://pivot.cos.com with your username and password. (If you have an old COS.com username and password, it will work with Pivot.) If you don’t already have one, you can create one from the same page. If you’ve forgotten your log in information, click the “Login help” link for assistance.

You can log in to Pivot from off-campus to access your account and search for Funding or Scholars. You can also log in to Pivot from on-campus if you wish to view your Pivot homepage, manage your Funding Alerts, and/or view your tracked or active opportunities.
